Synchro-tilt mechanism with side tension adjustment

Moves with each person's natural pivot points and seated body motion. Users can easily set the tension for personal comfort.

Standard with adjustable back height and body conforming support; adjustable lumbar support optional

From the lower back up, supports the user for a full day's work.

Multiple position back-lock

Workers of all sizes can adjust Upton to find the ideal back position.

Arm height adjustment

Height adjustable arms are one of the many ways N5 4700 Series Chairs can be tuned to provide ultimate comfort.
