

Capitol Park

DARRAN

Capitol Park is an icon of timeless transitional styling that affordably enhances the sophisticated office while inspiring work place performance and productivity.

Inviting yet functional workstations promote interaction within the private office or entrance area. A wide range of overhead storage cabinets offer a choice of wood or grooved frosted doors and task organization options that enhance the design.

Capitol Park's depth of line and coordinating reception and conference components allow seamless integration of all work areas, providing a uniform, corporate appearance.
